

## Friends of Pencoed Comprehensive School are a voluntary group who seek to raise funds to support the school - but it's so much more!

Transition from primary to secondary school brings about changes for parents and carers, as well as pupils! The school community is larger, chatting in the playground is a no-no as children branch out on their own, and asking them what they've done in school rarely gets more than a two word reply! It's easy to feel 'out of the loop'.

By joining Friends of Pencoed Comprehensive School, you have the opportunity to be part of the school community, with pupils, staff, parents and carers. There's no 'minimum requirement' as to how much time you contribute, or how often. It's not about long, drawn out meetings. It's not even limited to just parents! We're a relaxed, friendly group, who are as much about being social as raising money!

We support the school in a whole host of functions, from providing refreshments at school shows and parents evenings, to putting on events like a psychic evening!

All of the money we raise goes directly to support the school—funding the screen in the main hall, new branding to display around the school, an RE day for pupils to experience other cultures and religions, and supporting the school library.

If you're interested in joining, find us on Facebook as 'Friends of Pencoed Comprehensive', or email [friendsofpencoedcomprehensive@gmail.com](mailto:friendsofpencoedcomprehensive@gmail.com).
