

BLENDDED LEARNING FOR PARENTS

Working with us

Please support your child to ensure that they:

1. Join the Google Classroom for all of their subjects, form group and year group
2. Check their Hwb e-mails regularly
3. Take responsibility for their own learning and complete all work set

If there are any difficulties accessing the work on Google classroom please contact the school

School Open as Normal

1. Face to face lessons continue as normal
2. Your child will be able to access work from lessons via Google Classroom - resources that are uploaded will be valuable for revision and reinforcing learning
3. Ensure your child checks Google Classroom for any homework set

School open as normal but your child is self isolating

1. Lesson resources will be uploaded to the Google Classroom to ensure continuity of learning
2. We will make every effort to support pupils with their learning
3. Work completed at home may not need to be submitted digitally and may be completed in their book or on paper and submitted on their return to school

Whole year group isolation or firebreak

1. Please ensure your child attends morning registration via Google Classroom between 8:40-8:55. A text will be sent for absences
2. Please support your child in following their normal timetable as teachers will post a lesson on Google Classroom which will be able to be completed within an hour.
3. Please ensure your child meets all deadlines, Teachers will be available to answer emails or questions on Google Classroom during the lesson.
