

Pencoed Comprehensive School & 6th Form Centre

We want to ensure that all of our learners have every opportunity to learn, grow, thrive, and flourish during their time with us.

We know that asking for help isn't always easy, so we've created a discrete point of contact for requests of support - just email:

HereToHelp@pencoedcs.bridgend.cymru

Some examples of how we can help:

UNIFORM:

- provide second-hand, laundered uniform, including help with PE kit, via Pencoed Pre-Loved. Email the address above, or fill in the form online: <https://pencoedcomp.wales/pencoed-pre-loved/>
- point you in the right direction to apply for uniform grants.

FOOD:

- support queries regarding free school meals;
- provide details of support agencies.

EQUIPMENT:

- e.g. stationery;
- exam equipment;
- ingredients/materials for Tech lessons.

Please email any requests for support to the address above. We will work to discretely provide any support we can as soon as possible.

HOMEWORK - THRIVE CLUB:

- will run every Tuesday to Thursday after school until 4pm, with:
- space to complete work;
- access to ICT facilities;
- support from members of staff.
