

## Skills Challenge Certificate (compulsory)

During Key Stage 4, all learners will complete the Skills Challenge Certificate.

Over the course of their lessons each fortnight, and focused study days, learners will complete a series of coursework 'challenges', which are assessed internally, and moderated externally.

Skills Challenge Certificates furnishes learners with a wealth of transferable skills, including team work, independent learning, innovation, research, and presentation.

Units	Content/Assessment Type	Weight
Individual Project	<ul style="list-style-type: none"><li>• Planning and organisation</li><li>• Critical thinking and problem solving</li><li>• Digital literacy</li></ul>	50%
